Leadership Workshop
OSMA had another successful Leadership Workshop. There were approximately 175 in attendance. Speakers Jennifer Wisdom, PhD, and Jennifer Wilson delivered excellent topics that engaged the audience. The afternoon event had Oregon board members President Miller, Joyce Garibay, and Johnny Adamson talking on topics that were important to the managing of our society. We continued to hold the attention of over 50 medical assistants in the afternoon

PE has continued to support and assist the President as requested and needed.

Officer has answered and handled any correspondence in a timely manner and attended all required meetings. Officer wishes to thank the President for her resolve and patience. Additionally, the Officer wishes to thank this board for their continued support.
