51 In October RCCMA held a membership drive where 57 were in attendance (97 registered).
52 There were prizes for those members who brought the most non-member attendees and an over
53 all door prize. RCCMA offered CEU education with member Sarah Parker, CMA (AAMA)
54 presenting on Soft Skills. The board received excellent review of a job well done.

55
56 The following are changes that will be proposed and voted on by our members:
57 • Chapter President term will go from one year to two years. Rationale: in an environment
58 when it's difficult to find volunteers, this allows our board to have consistent leadership
59 until a successor is chosen
60 • RCCMA will vote on changing how its meetings are scheduled. While RCCMA will
61 always make every effort to secure dates that do not conflict with other chapter and or
62 state events, it is the recommendation of the board that we have an obligation to our
63 chapter members. The location of chapter education requires prior authorization on dates
64 that the chapter must comply. President has changed when dates are submitted to the
65 event location to be earlier in the year to ensure preferred dates are chosen but, there may
66 be times a date will be in conflict with a chapter and or state events.

67
68 RCCMA is hosting the OSMA 2019 Annual Conference with the help of many members. We
69 secured the venue and confirmed the presenters for education. Chapters Lane and Marion-Polk
70 volunteered to do a Knowledge Bowl, which helped fill educational spots. RCCMA was also
71 able to secure PacificSource to provide several educational topics. Molly Bilyeu, CMA
72 (AAMA) and Johnny Adamson, CMA-AC (AAMA) have worked hard to get speakers for our
73 conference.

74
75 RCCMA is the host of the OSMA 2020 Winter Quarterly which will be our next project once the
76 annual conference is complete.

77
78 RCCMA will be sending out a ballot for the 2019-2020 officers and selected board. The
79 following is the current nominees. We are excited to have two new members running for
80 positions:

81
82 President Elect Andrea Richardson, CMA (AAMA) **new**
83 Treasurer Johnny Adamson, CMA-AC (AAMA)
84 Secretary Samantha Worden, CMA (AAMA) **new**
85 Bylaws Molly Bilyeu, CMA (AAMA)
86 Communications Johnny Adamson, CMA (AAMA) | Andrea Richardson,
87 CMA (AAMA)
88 Membership/Marketing Paula Purdy, CMA (AAMA)

89
90 President would like to acknowledge her current board for a job well done. During this tough
91 time, everyone pulled together to ensure we presented the best education to our members and to

92 make sure we had a successful year. President could not have completed her year without this
93 board.

94
95 All correspondence has been handled in a timely manner. This officer has remained available to
96 the RCCMA Board and OSMA President.

97
98 Respectfully submitted
99 Paula Purdy, CMA (AAMA)
