## Music Therapy: Using Music in Medicine

**RCCMA**  
RIVER CITIES CHAPTER  
OF MEDICAL ASSISTANTS

Join RCCMA in welcoming **Rachel Gellrich, MMT, MT-BC, QMHP**, a classically trained pianist and board certified music therapist with masters degree in music therapy to learn about the importance of music therapy. Rachel will be discussing the history of music therapy, the populations in which music therapy is used, how music therapy is integrated into the medical setting, and the various types of music therapy.

### LEARNING OBJECTIVES:

- Describe how and why music therapy is beneficial for medical settings
- Identify what types of patients would be appropriate for music therapy
- Identify the difference between music performance and music therapy

2 AAMA-Approved CEUs (Clinical/General)
