The Bylaws Committee is responsible for incorporating any AAMA House of Delegates Bylaws Changes that would affect OSMA or any Chapters. The Committee accepts potential Bylaw Amendments from the OSMA Board that would need to be voted on during the General Assembly.

The Annual meetings of the AAMA and OSMA occur at different times during the year. The AAMA year is from their Annual Conference, usually in the early Fall of the year, and the OSMA is in the Spring of each year. This system does work however, it can be a bit confusing when making and changes to our documents.

The AAMA 2021 House of Delegates did vote and there were mandated changes for the OSMA Bylaws and OSMA Chapter Bylaws that needed to be incorporated. The OSMA Bylaw changes and the River Cities Chapter and Lane Chapter Bylaws were all reviewed and were deemed updated by September 2022.

The AAMA 2022 House of Delegates did make an AAMA Bylaw change however, it was not applicable to the state or chapter Bylaws for Oregon. There were no suggested amendments this past OSMA year for the Committee to discuss.

Thank you for allowing this committee to serve OSMA.

Jocelyn Willis, Chair

Members: Joyce Garibay, CMA(AAMA)
Candy Miller, CMA(AAMA)
Paula Purdy, CMA(AAMA)
